

Protective & Marine Coatings Reports

IRL is pleased to announce the publication of the new edition of our protective and marine coatings reports. These reports are available for the 21 key markets globally and include market shares, prices and values, volumes and detailed values by technology and chemistry, end use, functional layers, and paint type.

All this data is offered in PDF report format and also through our complimentary interactive database, where clients are able to manipulate and extract the information to an Excel spreadsheet. Unlimited users per subscription.

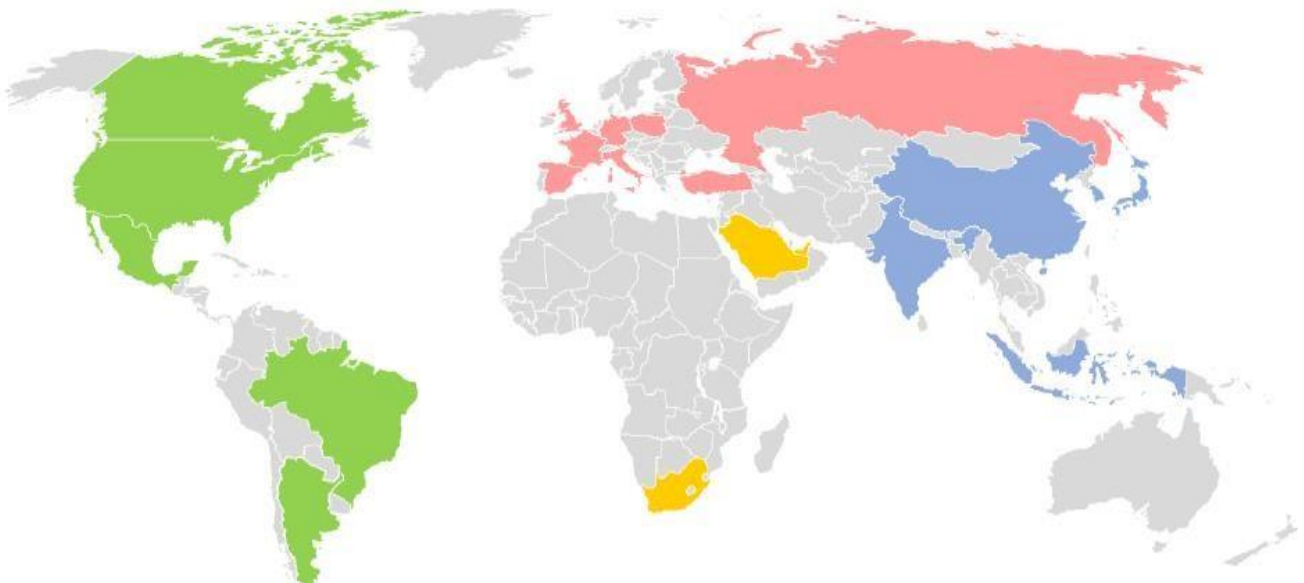

Protective & Marine Coatings:

- Market volumes in metric tonnes (2011-2022)
